

# Saanich Peninsula Arts and Culture Grant and Bursary Program

## Individual Application Form

The Saanich Peninsula Arts and Culture Grant (SPACG) program is a funding stream that has been established to support local individuals, groups, collectives, and organizations. Funding is available for initiatives (projects, programs, presentations, training) with an arts and cultural focus, that are designed to benefit the residents and communities of the Saanich Peninsula.

The SPACG program is administered by ArtSea Community Arts Council and funded by the municipalities of the Saanich Peninsula. Together we look forward to supporting existing arts and cultural initiatives, as well as providing opportunities for new and innovative programs that will enrich our communities.

Our preference is that applications are filled out using the online form at [artsea.ca/arts-and-culture-grants/](http://artsea.ca/arts-and-culture-grants/)

However, if this presents a challenge you can fill out this PDF application and submit via email to: [grants@artsea.ca](mailto:grants@artsea.ca).
